

New Life Church Volunteer Opportunities

Our vision is *Loving Down Walls; Up, In and Out*. So our volunteer opportunities are organized into *Up, In and Out* ministry categories.

SERVING UP OPPORTUNITIES:

Up is our worship. People who serve “Up” are passionate about the the church coming together in worship. *Up* is all about opportunities that facilitate our weekend and mid-week worship services. These opportunities range from loving and welcoming every guest attending a service to working with our children.

SERVING IN OPPORTUNITIES:

In is our fellowship. Those excited to provide opportunities for the the body to connect in relationships are perfect for serving “In.” “In” is also for those who know “church” is more than the weekend service and finds great satisfaction in managing and maintaining the functioning of the church.

SERVING OUT OPPORTUNITIES:

Out is our witness. Serving “Out” is for those who have a burden for our cities and the people in them. We want to take the life of Jesus to people and not just wait for them to come to us.

***OUTREACH EVENTS:**

Choose an outreach event that you will serve at for the year. Be a part of the set-up, clean-up, and ministry that will happen that day. We do summer movie nights, Easter Eggstravaganza, Trunk-or-Treat, and other community events.

***MISSION TRIPS:**

Takes the gospel beyond the typical reach of New Life Church. Whether we plan a foreign or domestic trip, team building and spiritual preparation pave the path to a fruitful short-term missions trip.

***NEWNESS OF LIFE:**

A ministry team trained to minister to the Cherry Street Mission residence to encounter Jesus. This team helps these individuals walk in the fullness of who God has created them to be. With prayer and partnering with the Holy Spirit we bring healing and freedom to many,
